

Adam Noland

Chatsworth, CA 91311 – adam.noland@proton.me – 818-437-0757

Education

California Lutheran University – Thousand Oaks, CA

B.S. Computer Science and Mathematics (majors in same fields, minor in Physics)

December 2026 (ongoing)

- GPA 3.7
- Dean's List

Relevant coursework: Software Engineering, Object-Oriented Design and Analysis, Operating Systems, Graph Theory and Combinatorics, Advanced Computer Programming (pertaining to data structures), Calculus III, Differential Equations, Number Theory, Data Communications and Networks, Abstract Algebra, Modern Physics, Quantum Physics, Image Processing, Graphics, Algorithms, Applied Electronics, Mathematical Methods of Physics

Highlights

- Competent in Linux system administration, capable in Windows and macOS environments
- Knowledge of software development life-cycle, UML, and design patterns
- Strong grasp of computer programming principles
- Strong command of mathematics in both concrete and abstract forms
- Proficient in application of mathematics to technical fields (physics, computer science)
- Experience in conveying mathematics concepts to non-technical audience

Skills

- General competence in computer programming
- C/C++, Haskell, Java, and Python programming languages
- Unix/*nix command line
- Linux system administration (self-taught)
- Computer network management
- Assorted high-level mathematical disciplines (see Coursework)
- Complex mathematical concept explanation
- Working knowledge of quantum physics
- Critical thinking skills

Work Experience

Mathematics Tutor

California Lutheran University, Thousand Oaks, CA

Feb. 2023-ongoing

- Tutoring university students on campus in mathematics on a walk-in basis.

Program Organizer

Los Angeles Public Library, Chatsworth Branch; Chatsworth, CA

Spring 2022

- As part of a team, devised an event for assisting disabled children in learning to read.
- Participated in the execution of the event.
